

OHIO VALLEY MUZZLE LOADING

GUN CLUB

June, 2013

Well, I think summer is here. We had beautiful temperatures for the shoot. Of course if the temp is good then the wind must be bad. On Saturday, June 1st Larry Bevard led our early June shoot. We had 14 shooters including 1 junior. Unfortunately I wasn't able to make it but I heard things went well. Thanks goes to those that helped out as range officers and in the scoring shack.

Once again we had several join the Hall of Shame. They were Dave Nune for dry-balling and (since I previously put myself in it for messing up as range officer) Ken for giving a 2 minute warning, than in his next command reopened the line (instead of shutting it down). I heard you had to be there to get the full effect. The ever growing list includes Sis, Josh Larue, Rick Harkless, Tanner LaRue, Gary Bevard, Ross Gaiteri, Dave Nune and Ken.

June's Top Gun was Rick Horton. So far we have Ron Goudy, Neil, Dave Ratliff and Rick. (If I leave the last name off maybe I can slip in there.).

We added two new members, Tim Merz and Tony Pollack. Everyone, welcome them aboard.

Our next shoot is the Over-the-Log event on June 29th and Founder's Day on June 30th. (As more and more are finding it difficult to get in the prone position we may try something different next year.) Founders day will be hosted by Bob Hurlburt. Remember camping is welcome for the 2 day event, starting Friday night.

See you all June 29th.

Rick
