October, 2013

Hi Everyone,

Hope you're all doing well. The Woods Walk is over. (It appears I have lost all my notes so I'm going to wing it.) While the weather was wet, we fared reasonably well. There were around 5 to 6 camps. The Arms camp, Bob Hurlburt, Grubaugh camp, Harkless camp and LaRue camp. If I missed someone I apologize.

The weather played games, but during most of the shooting time it was dry. I want to thank each and every one of you that helped set-up, guide and/or take down and put away the targets. We had 23 shooters on Saturday and 19 on Sunday. (not a bad turnout considering the weather). I believe Neil and Mark Donaldson took first and second on Saturday with Kevin and Ken taking first and second on Sunday. Kevin won the aggregate (50 cal Ed Rayl barrel) by one target. We had a smoothbore match on one of the days but I don't remember which one. Diane Arms cooked some hams for Saturday dinner. I forget what all we had to eat but thanks goes to those that provided some food. Since it was raining we couldn't all eat together but it was still a good time.

Our next shoot is our last for the year, the turkey shoot on November 2<sup>nd</sup>. Mark Herman is the shoot host. Hope to see everyone there.

I have two requests. We need some new blood next year as shoot hosts (Trustees). So start thinking seriously about volunteering. Also you may want to be thinking about ideas for a seminar mid winter. Thanks and see you all November 2nd.

One last note, Eddie Myers passed away. Attached is his obituary. For those that didn't know him, he was a dear friend of Ken's and he lived a long interesting life.

Pray for warm, dry weather on the 2nd, signing off for now,

Rick Harkless
