March, 2013

Well winter is almost over and spring is fast approaching. Isn't it about time. As everyone should know we didn't have a seminar this year. Next year we will try to plan a little better.

On Saturday, March 8<sup>th</sup> we had our blanket shoot, 13 shooters in all. Ralph was the shoot host, with a new helper Bill Grubaugh. Thanks goes to both and good job Ralph. It might have been in the low 40's. Wind was quiet in the morning but picked up around noon. We had one youth, Tyler, and Sis came using her new rifle for the first time. There were 9 or 10 targets and we used the portable rack to hang some of them. They consisted of the chain, bar, cards, knock down ground hog, small gong, clay pigeons and a couple swinging targets. No one got in the Hall of Shame and Page Carr took top gun and free shooter for next month. I think everyone had a good time. We also had a few donations to the prize box. Frank Bevard donated a horn for Founder's Day. Thanks to everyone.

Saturday, April 5<sup>th</sup> is our next shoot with Larry as host. The shoot will start around 10:00. Those that can, come early around 9:00, to help rebuild the racks. Ken has picked up the plywood clips and we think we have screws in the club house.

The Knox County Pheasants Forever event is April 12<sup>th</sup>. We can use some volunteers for it. Mark Hazel, don't forget you need to purchase a tarp for the club. Unfortunately southeast Ohio's is the same day at the Johnstown Sportsman's Club. They would appreciate support from our club also, but please consider helping at Knox Co. first.

If you haven't paid your dues, let's get caught up. Everyone should have a shoot date schedule so see you all next month.

Your pres,

Rick
