

July, 2015

Hello everyone,

Well, once again the month of July is flying by. Founder's Day weekend was wet and windy with only a few camping Friday night. Saturday night was a little better. June 27th was our first table shoot. We had 14 shooters on Saturday and the morning event was hosted by Mark Herman. This was our first try at a table shoot. I think most involved enjoyed it. Three places were handed out along with best X. We ending the day with five novelty targets, and the Schutzen target made and run by Ken. The Schutzen netted around \$50 for the club. The novelties included a board of percussion tin lids, spinning charcoal (spinning due to the wind), a running target, a gong and breaking sticks. Some great shooting was seen by all.

On Sunday (Our Founder's Day shoot) we had 18 shooters. I don't think anyone was added to the Hall of Shame. Sunday's targets were paper, as usual. Larry Bevard took high aggregate score. As Top Gun he won the Founder's Day aggregate prize, a pipe hawk made by Colin and Ken. The top gun list now consists of Page Carr, Dave Ratliff, Gary Bevard and Larry Bevard. Sis took free shooter for the Saturday, August 1st shoot being hosted by Tim Merz. Our Hall of Shame stays the same at Bill Grubaugh, Sis, Bob Hurlburt, Colin, Rick Harkless, Mark Hazel and Rick Horton.

Please remember our fund raiser, the quilt & quilt stand raffle. Attached to this is a sheet of tickets with info about the raffle. Share with your friends or take to work.

See you August 1st,

Your Pres,

Rick Harkless
