

March 28th, 2019

Hello All;

On March 2nd Bill Grubaugh ran our first shoot of 2019, a blanket shoot. Weather was cold and we had 12ish shooters, everyone went home with a prize. Sis brought some goodies, Bill had a space heater in the building so everyone was happy!

On Saturday April 6th we have our scheduled Woods Walk shoot and will rebuild the target racks prior to heading into the woods. Please be there at 9:00 if you can help with the racks. The shoot will start at 10:00, hosted by Barb Grubaugh, it is a grocery shoot, (One prize per shooter) let's hope for a nice Spring day!!

The Pheasants Forever Fun Day is April 13th, I'll be asking for volunteers, please consider helping out, let me know so I can add names to the insurance list. Thanks!

Sincerely

Mark Hazel
