

## The Columbus Dispatch

### WASHINGTON, D.C.

Honor Flight Columbus veterans recently visited the World War II Memorial in Washington. Front row: Rome Barr of Columbus, Gene Devol of Buchtel and Jack Bachtel of Columbus; and holding The Dispatch in the second row: Dave Ahnmark of Columbus. They recommend that veterans contact Honor Flight Columbus if they are interested in the free trip to see the national memorials dedicated to veterans. Ninety-one of the 93 veterans who made this trip are from Ohio.
