

OHIO VALLEY MUZZLE LOADING

GUN CLUB

Feb. 24, 2021

Hello:

First, I want to ask everyone to put Club Member Terry Festog and his family in your prayers. Terry is fighting leukemia. That's all I know, if anyone has information, please get it to me to post. I hope everyone else is doing well.

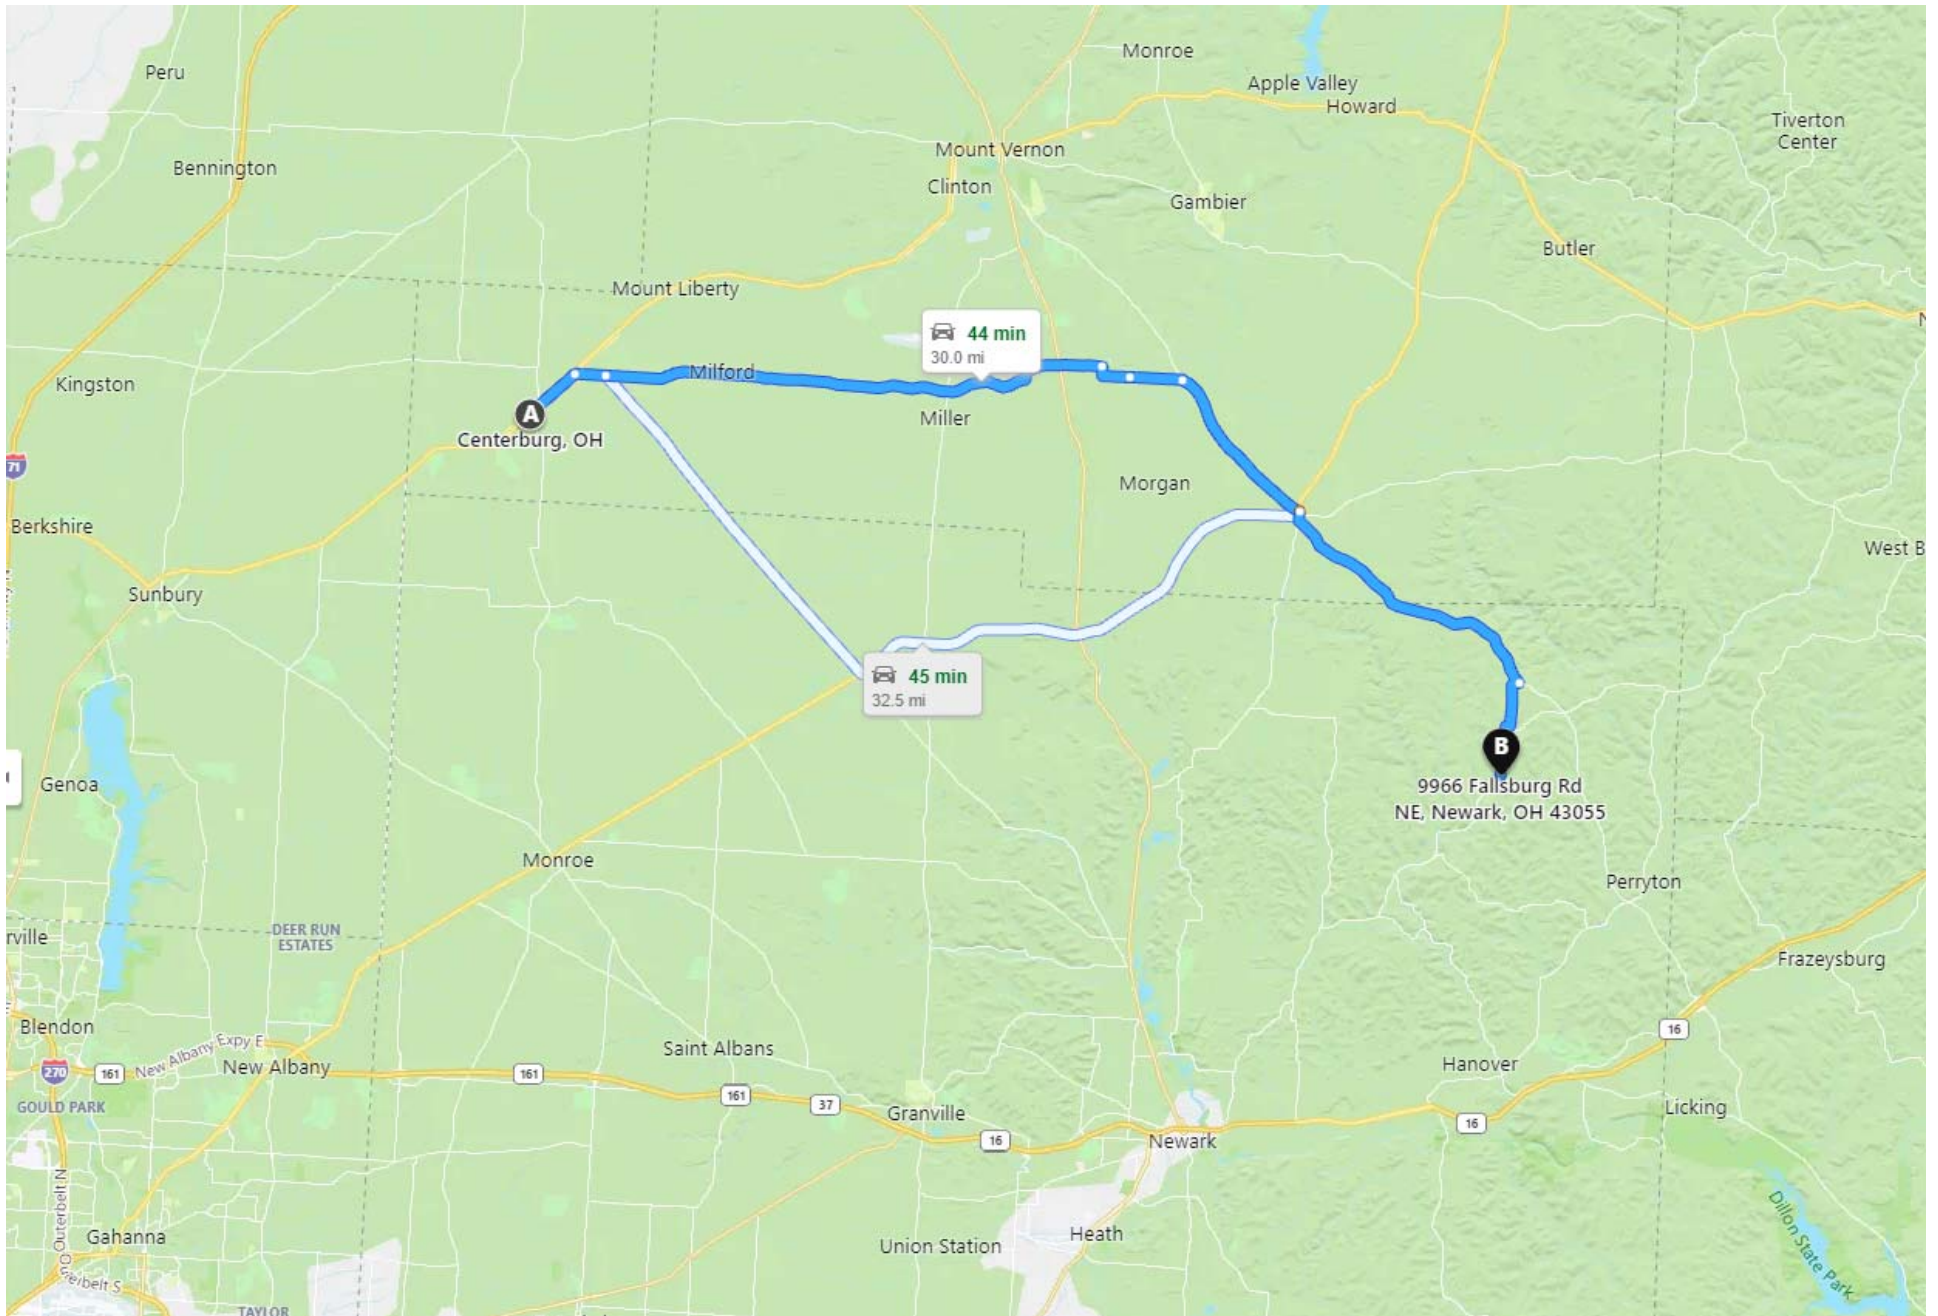

On February the 6th we had a Flintlocks Only Shoot, hosted by Page Carr. Thank-You Page for getting us outside on a nice winter day! We had 7 shooters and all had a lot of fun, in between getting our hands thawed out in the shed. Thank-you Bill G. for bringing the space heater & Sis for helping warm up our insides with some good soup.

We will have a **Blanket Shoot on March 6th**, hosted by Bill Grubaugh. This is a novelty shoot, meaning the targets are varied objects to score a "hit or miss". Not paper targets. The name Blanket Shoot refers to the prizes, the entry fee for each shooter is an item put down on a blanket before the shoot. The first-place shooter gets first pick of all the items, and so on. Please make your entry item something valued at \$10 min. a hand made item is even better.

Page had to postpone his **woodswalk** shoot that was to be on Feb. 20th for the Deathwind club, it's now scheduled for **March 20th**. Please mark your calendars, I won't be sending out any letters right before that date.

I think that's all for this letter, hope to see you soon.
Mark Hazel
