

January 5, 2018

Hi Everyone,

I hope everyone had a joyous Holiday Season. 2017 is behind us and we will forge our way into the frozen 2018!

Enclosed you will find our 2018 club schedule. Saturday Jan 13th is our annual meeting, with doors opening to set up at 9:00 AM at Centerburg's clubhouse. (mark your calendars) This will give us time to visit, with lunch around 11:30 so come hungry, please bring a covered dish. Cold cuts, soda and coffee will be provided. Our annual meeting will be after lunch, as usual. We have several agenda items so plan on staying a while. Please bring any muzzle loading related items of interest for display. (A new project or something to show off, including leatherwork, carving, bead work, etc.)

If nobody wants to fight Bill Grubaugh and I for our positions, we will stay on for 2018. We also have Cliff Grubaugh and Colin Greene that have agreed to be trustees again. So we will need some additional brave souls for 2018 trustees, please consider this. It just means you need to run a shoot during the year and attend a meeting. (If we have one) You're welcome to call me at 614-623-9955 if you're interested in one of the spots, first come get first choice of the shoot date that they run. Or have your name nominated from the floor at the meeting.

Also if you can, come ready to pay your club dues of \$10 for 2018.

We all should be used to this cold, the clubhouse has heat so we will only cancel if road conditions are too hazardous on the 13th, and the make-up date is January 20th. If the weather looks questionable please feel free to contact me.

If anyone has any ideas for a seminar we will be discussing them at the meeting.

We have put a pretty good dent in the prize box. We have a few items that we want to put in a raffle and then put that money towards the purchase of future prizes. These items were made by club members and donated as prizes, but I think it may be better for the club to try another raffle. I will bring the items to the meeting and have more details then.

Anyone who has items to donate, they are graciously accepted anytime!

The club is purchasing a 25lb bag of powder and will break that down into one pound cans for use in our "Powder Matches". If you can bring a couple of empty cans for us, that would be great.

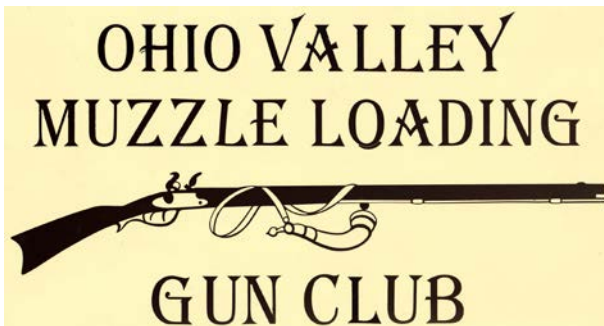

Hopefully everyone has heard of Bob Smith's passing. He was the heart and soul of the CCC and a great friend of OVMLGC, he will be missed!

Hope to see you all on January 13th.

Your president;

Mark Hazel

Club Dues: Annual Dues \$10 and shoot fees stay at \$12.

- 1. Pheasants Forever: Do we continue with this?**
- 2. Helping with Centerburg's youth day**
3. Target Racks: The racks will need to be rebuilt. Need an idea of lumber needed for the repairs. Those that can come an hour early on April 7th please do.

New Business:

- 1. Elections:** We need Trustees or the number of shoots will probably drop drastically. Do we have any volunteers to take their place? A trustee is responsible to run one shoot and attend a midyear meeting.
