

# OHIO VALLEY MUZZLE LOADING

## GUN CLUB

---

July 2018

Hello everyone;

Our last shoot was the Founder's Day, 2 day event that had about 16 shooters each day. The weather was HOT! Only a hand full of campers were on hand for the Centerburg fireworks display. Saturday morning was the over the log match, won by Steve Larue, he also took first in the table shoot that afternoon, making him Top Gun. Sunday was the Founder's Day paper target match, Top Gun was Page Carr. He won the tomahawk (I think pictures are on our web site). For the second year in a row, Gary Bevard won the Schuetzen Target and had the gall to hit the "hidden spot" too.

We have a few entries in the Hall of Shame; Bob Hurlburt and Colin both dry balled. Sis and Bill Grubaugh shot at the wrong target boards.

Our next shoot is on August the 4<sup>th</sup>. This is our One Day- Woodswalk, it will be a grocery shoot, and everyone will take home a prize. I'll need some help setting up the targets. I have to work half a day on Friday the 3<sup>rd</sup> so that gets me up there around 1:30 to start setting up. Anyone that can help will sure be appreciated. If you have a target that you want to use, that is fine too, just bring it up on Friday so we can get it in the course. Feel free to call me if any questions. 614-623-9955

Hope to see you all on August 4<sup>th</sup>.

Mark Hazel
