## GUN CLUB

---

July 22<sup>nd</sup> 2020

Hi Everyone;

On June 27<sup>th</sup> & 28<sup>th</sup> we had the Founder's Day Shoots. I did not keep good notes of how many shooters we had each day. Saturday morning 8 shooters did get the Over The Log Match shot and I believe Trent Grove won that match.

We were rained out on The Table Shoot, but did get it in on Sunday Morning, I think Gary Bevard won that one.

The paper shoot had 21+/- shooters and was won by Kevin Calderwood, he took home the nice Pipe Hawk made by Ken Netting.

Turnout for the Over The Log Matches the last 2 years hasn't been great. Maybe we should consider having a Novelty Shoot on the Saturday instead?? Make that new business at the Annual Meeting.

Well the virus will just not give up. They haven't put a lockdown back in place so I'm keeping fingers crossed we will have our August 1<sup>st</sup> Woodswalk. I plan on camping Friday night so I will be able to help Barb setup the walk. If you have time to help that would be great. Since we leave the heavy targets out there it's not too bad setting up, and if it stays this hot, I'm thinking we wait until 5:30 to hit it.

Prizes will be dead animals! In the form of meat from Kroger's 😊 Each shooter will get a prize.

Deathwinds club is having a special shoot on August 16<sup>th</sup>, please take a look their flyer for that. Columbus Muzzle Loaders Newsletter is also attached.

Stay safe and hope to see you in the woods!

A Muzzleloader table match will be held at Deathwind Longrifles range in Newark, Ohio on Sunday August 16th 2020. Match/range rules will be read at 9 AM. Practice will start at 9:30 AM and last 30 min. Matches to begin at 10 AM. Please arrive early enough to get signed in and ready prior to the beginning of the day's matches.

This table match will consist of 10 single shot matches shot at 30 yards from a seated position off a rest. Tables, rest, seats and target holders will be provided for all shooters. Shooters will need to supply their own spotter if they would want one. This type match is great for all shooters young and old. It is a seated, rested competition. Come on out and join in on the fun. Bring your quarters for side bets on best X's. If you are interested in side betting you will need to put in \$3.25 total for all 10 matches. This will put you in for the best X of each match. Best X will win that matches kitty. If you don't put in, you can't win.

Match Fee: \$20, \$10 dollars for women and shooters 16 and under. Fee includes lunch of hot dogs, chips, cookies and water.

Club location is in Newark Ohio, 4.5 miles north of State route 16 on State route 79(Fallsburg Rd) GPS directions use 5182 Fallsburg Rd and look for sign at the end of the driveway. Follow the drive all the way back the lane over the hill and end at our range.

Camping is available for those that would like. There is plenty of room for primitive spots and we have limited plug in spots for trailers. First come first serve. We do not have water hook ups and there are no modern toilets. There is an out house. If you do hook up to electricity, all we ask is a donation to the club for use of electricity if you plug in. Our club is only 5 min from a small country store and 15 min from north Newark with many large stores and restaurants.

There will be a 15 pound (unloaded) limit on the rifles for this table match. Any caliber rifle may be used. All open sights are allowed. Shaders are allowed. No scopes, no peep sight rear sights. Hooded front sights are fine as long as the shooter is using a post or pin style front sight. Rear stock of rifle may only be rested on the shooter (not on the table or other type rest). 1 layer of leather or cloth will be allowed on rest to protect the finish of rifles. No sandbags are allowed.

After the table match on Sunday August 16th there will be a flintlock only match hosted by Page Carr. Flintlock rifles or smooth bores are allowed. This match will be at no charge or extra fee. This match is designed to fill in time while finishing scores are being done and for fun. There will be a total of 12 off hand shots, 4 targets with 3 shots each, all for score. Top 5 places will receive prizes that Page will provide. 1st place gets your name on the plaque Page has created. If you plan to join in, bring you flinter, and if you are so kind to share and allow others to use your rifle, please bring extra lead and powder for those who would like to join in and don't own a flintlock.

Any questions please contact me.

Members and Friends,

Virgil Love our oldest Life Member passed away July 1 at the age of 102. Our thoughts and prayers go out to his family. Our July shoot is in his memory.

We had 21 shooters for the June shoot. Dave Ratliff won Top Gun on the ten novelty matches with 24 points. The Free Shooter for this month is Don Jelinek. Art McCall won the Pistol match; Damon Dickerson won the Cash match; Don Jelinek won the June match; Steve Edwards won the O.M.A. match and Dave Ratliff won the Powder match. Art McCall was the winner on the pizza wheel(1 pound of powder).

Lock combinations will be changed **Wednesday August 5**. You can still pay your dues(\$40) at the target desk during the shoot or by mailing payment to: Art McCall; 4409 Hammerton Dr; Columbus, OH 43228. Make check out to "C. M. L. G. C."

When things with the corona virus calm down we will replace the refrigerator with a smaller one from Lowes. Until then **please bring your own lunch and drink**. We have a small dorm room fridge that holds a limited amount of pop and water.

Also we are going to enforce the above rule on perishable prizes. If you cannot attend the prize awards ceremony and have no one to pick them up for you, the meat prizes will be forfeited to a non-winner who is there for the awards.

Deathwinds is planning a table match hosted by Page Carr and Trent Grove Sunday August 16. After the table match, Page Carr will be hosting a separate flintlock match. When I have more information I will pass it along or contact Trent(740-814-5791)

**The range is closed to Muzzle Loading shooting Aug 9. The Air Gun group has reserved the range for an open shoot.**
