

OHIO VALLEY MUZZLE LOADING

GUN CLUB

June 22, 2018

Hello Club Members;

Well Summer is here, the heat is ON, also getting plenty of rain! Farmers seem to be in good shape, I've seen lots of corn more than knee high already.

On May 6th we had a shoot, hosted by Kevin and Bonnie. They had 17 shooters and a couple of entries into the Hall of Shame, surprise entries. Don Jelinek dry balled and I hate to do it but Page Carr who shot the wrong target! Also Colin Greene thought he would load 2 balls so he's back in too. Don did get straightened around and was the Top Gun. We had a one day raffle for a nice ham and it was won by Frank Bevard.

Our Founders Day weekend shoot is June 30th and July 1st. On Saturday morning we will have an Over The Log shoot, it will be a cash payout for the first three places. We'll have this wrapped up by noon. We can take a Lunch break, have a moment of silence for our past members, and then get the afternoon Table Shoot started. We will be following NMLRA Hunter Class rules for the Table shoot. I think that means guns with a 10lb limit, open sights and shaders are allowed. Don't forget you can bring your own "sighter target" to use.

On Sunday it will be the normal paper target matches. Prizes will be a combination of groceries and merchandise, for 1-6th place on each target. The top scoring (club member) will win a tomahawk, built by myself, Ken Netting and George Kidner. The Conservation Club welcomes us to camp for the weekend, so try and take advantage of this offer. Hope to see you all at the range!
