June, 2012

This letter is going to be a short one. Trying to get ready for Friendship. For those interested Friendship runs from June 9th - June 17th. But now on to important business.

The May shoot went well with Bob Hurlburt as host. Hot, hot weather for Spring. We had a total of 18 shooters. Nobody to report for Hall of Shame. I guess 2 names from the last April shoot made up for two months. Top Gun was Page Carr.

The next shoot (Our Founder's Day weekend) is Saturday, June 30th and Sunday, July 1st. See Ken's flyer for Saturday's over the log shoot. We should have five or six novelty targets to shoot in the afternoon. Sunday we'll be punching paper again. Remember there's room enough for all to camp. The free shooter for Sunday is Bill Leitner.

Those of you that thought you might run a novelty match (Dave N, Ron G, Mark D, Mark H, Bob H & Neil E) let me know what you're thinking of doing so I can make sure nothing is duplicated. Also let me know if I need to bring a prize for it.

That's all for now, see you June 30th.

Your Pres,

Rick Harkless
