

OHIO VALLEY MUZZLE LOADING GUN CLUB

MARCH, 2012

The first shoot (Blanket shoot) was held on March 4th as scheduled. (A frosty event) 12 to 15 people showed up with not everyone shooting. (I was still ill, so was one of the no shows. It's been a rough winter for a lot of people.) I heard Ralph did a splendid job of running things with a healthy assist from Ron and Neil. It sounded like everyone had fun with about 12 novelty targets. Neil E. came in as Top Gun and Larry B. found his way into the Hall of Shame. I'm not sure what to say he did, but I think he will graciously agree he deserved it.

The Pheasants Forever Youth Field Day event in Mt. Vernon is on April 21st this year. We are looking for volunteers for the event. If you can attend please sign up at our April 14th shoot. I want to thank Dave Nunes for staying on top of this every year. (Kevin, please bring the youth gear to the April 14th shoot unless you're going to attend the Youth Field Day.)

Target Racks: Those interested in helping rebuild the target racks, show up an hour early on April 14th. It's a Saturday shoot so that means 9:00 AM. Bring a hammer or battery drill. I will bring 16 penny nails and 3" screws. Neil's bringing the lumber.

Somehow Wayne Slaughter's name was dropped from our mailing list. Sorry Wayne, not sure how it happened.

If you didn't make it to the March shoot, make sure your guns are in working order & clean out the cobwebs.
