

September, 2012

Hello everyone,

Our August shoot was Saturday the 25th. Weather was very warm, but not humid. The shoot started around 10:15 with 17 shooters. Mark Donaldson was shoot host and we all had a good time. As everyone should know we do not have a September shoot. The next one is our Woods Walk. Something we all look forward to in early October.

Let's see... Hall of Shame... We had Steve Larue, Mark Hazel and Dave Minnich all pulling balls out of the barrel. So two names were added to our ever growing Hall of Shame List ,Steve Larue and Dave Minnich. The list now includes 7 people. Larry Bevard, Mark Hazel, John Rossey, Bill Leitner, Rick Harkless, Steve Larue and Dave Minnich. I didn't even bother mentioning Mark Hazel again, as its getting to be a monthly event.

The Top gun for the shoot was Ron Goudy. Ron's the only person I know who will tell you he's shootin lousy and end up as top gun. Good shooting Ron. An updated list of Top Guns includes Neil Eddington, Mark Donaldson, Page Carr, Colin Green, Dave Ratliff and Ron Goudy.

Dave Minnich brought 2 grandsons in August. Ethan won several prizes. Good shooting Ethan. Hope you guys can come back for the woods walk.

Our next shoot is the woods walk, Oct. 6th & 7th. Friday the 5th @ 8:30 is when we set up the targets for the woods walk. We appreciate any help we can get.

I want to thank everyone that bought shirts or magnets with the club logo on them. That's all for now, see you early October.

Rick
