

August, 2013

Hello folks,

Well here it is ... mid August. Deer season is fast approaching. Oops... wrong subject. Well those of you that came to the early August shoot know what a good time we had. Early morning, on the way there it looked like the day was going to be a bust. But the rain stopped as we got close to the club around 9:00. The day turned out dry and cool. A great day for a shoot. Mark Donaldson hosted the shoot and we all had a good time. 15 shooters in all. Dave Ratliff took top gun with Ron Goudy next then Frank Bevard following. So far we have Ron Goudy, Neil, Dave Ratliff, Rick Horton and Frank Bevard in the Top Gun lineup. Mark Hazel and Dave Nune seem to have a competition each shoot on who can dry ball the most. Dave won this time with three. Steve Larue's luck pulled through as the next free shooter.

The next shoot is Sunday, August 25th. Remember Sunday shoots start at 11:00. The Woods Walk is coming up. Diane Arms needs to know how many will attend a Saturday evening dinner at the woods walk. The head count is to minimize food waste. You can either contact me or Diane to let us know. My number is 614-581-4226, Diane's is 740-390-1020. We need to know by mid September, so start calling. Thanks and see you on the 25th.

Your Pres,

Rick Harkless
