

May, 2014

Well, the May shoot is over. The temperature was decent but the winds were roaring. On Sunday, May 1st Mark Hazel led the May shoot with some assistance from Tim Merz. Thanks guys. We had 17 shooters including 1 junior. I think Bill Grubangh has his hands full with three grandchildren that want to partake.

We had several, Bob Hurlburt and Tom Darfus join the Hall of Shame with Bill Grubaugh. The favorite way to get on the list is dryballing. Sis was trying to get in there with 3 shots at someone else's target. May's Top Gun was Rick Horton. So far we have Page Carr, Ron Goudy and Rick Horton.

Sis has offered to donate a quilt for a raffle. If we can get things together we will try to have a flyer and tickets available for Founder's Day. If not by then we may need to wait until next year so we can utilize the whole season advertising and selling tickets.

We have 2 shoots in June. The first is Sunday, June 1st with Tim Merz handling the event. The show starts at 11:00, so everyone get there early. The second shoot is June 28th & 29th with the Over-the-Log and Founder's Day matches. Founders day will be hosted by Bob Hurlburt. Remember camping is welcome for the 2 day event.

Anyways, see you all June 1st.

Rick
