

OHIO VALLEY MUZZLE LOADING

GUN CLUB

April 24, 2025

Hello Everyone;

The rain has finally stopped for a time, hope we have nice weather for the May 4th shoot. Since almost every club had to cancel last month's shoot I am ready to get out there and have some fun. Most people said they want to switch Sunday May 4th to a Woodswalk, since last month's was rained out. Rick Horton has agreed. He will be the host; prizes will be meat. Everyone will get a prize.

Our last shoot was a Blanket Match ran by Steve Props and Bill Grubaugh, now I cannot recall who was the Top Gun.

Dave Nunes, Bob Hurlburt, Mark & Jordan Crane, Trent Grove and I manned the Pheasants Forever event. It was a nice day, I think we fired off over 100 rounds.

Hope to see you at the range!
