Hello All;

Our last shoot was on May 7th, we had 10 shooters, one young man came and did very well, I think his dad was joining the club! That's what we need and he was one of the shooters we had that went to the Pheasants Forever event. Top Gun was Lars Lutton who also showed up with a pistol and won that match as well.

I think we were the first to use the new covered line at Centerburg, it's not quite muzzle loader friendly yet, but I hope we can work on that by adding some loading areas like we had before. We do miss the target racks and hoping down the road we might see those come back, but in the mean time we will make do.

The next club event is the **Founder's Day Weekend Shoot on June 24 and 25th**. A change we are making is on Saturday we will have WOODS WALK. We will set that up Friday afternoon. Also, after the woods walk, we give out the merchandise prizes (each shooter will take home a prize). Then we will be getting pizza from a place in Centerburg for anyone that sticks around after, the pizza will be provided by OVMLGC.

On Sunday it will be our normal paper target match. Prizes will be Merchandise; every shooter takes home a prize. The top scoring (club member) will win a Custom Hand Made Tomahawk by Bob Kiebel. Bring your pistols again, we will have a match to shoot after the regular match finishes up.

The Conservation Club welcomes us to camp for the weekend, so try and take advantage of this offer. Hope to see you all at the range!
