

OHIO VALLEY MUZZLE LOADING

GUN CLUB

April 25, 2018

Hello:

We have had very poor turnouts for shoots this year. I blame Mother Nature, the weather has been horrible. On April 7th we did get the target racks rebuilt. Special thanks to all of the volunteers that showed up early and worked in the mud to get that done.

We only had 7 shooters to brave the weather, but all of those did take home extra groceries, (looking at the glass as half full)! Thanks to Sis for a large pot of hot coffee and some sweets and to Bill Grubaugh for his space heater to keep us all in a good mood.

We did have a new entry into the Hall of Shame; Cliff Grubaugh loaded without the powder! Haha there goes his bragging rights☺

The Pheasants Forever Field Day event was a success, thanks goes out to our club volunteers: Dave Nunes, Bob Hurlburt, Rick Harkless and Chief Arms!!

Our next shoot is on Sunday May the 6th, hosted by Kevin and Bonnie, it is a grocery shoot. I sure hope the weather is a lot nicer than it has been for us and we see you all there.

Attached are flyers from 2 other clubs, in case you have the opportunity to check them out, it's fun to visit other places. Also if you have a couple of empty powder cans you can spare, we can use them. The club purchased a 25# bag of 3f powder and will break that down for use in our "powder matches" and be able to keep the costs down.

Sincerely

Mark Hazel
