Hello:

At our last shoot we had a Woodswalk, the targets were setup by Trent Grove and we had 15 shooters go through the woods. The Top Gun was Pete Phillips, 2nd was Lars Lutton, 3RD was Matt Michael, 4th was Bob Hurlburt. (It's important to go down the list because Pete was already a Top Gun, so it gets passed down the line).

Our next shoot is a paper match with targets picked out by Steve Props. It is on Saturday August 29th. Prizes will be groceries.

Planning ahead to the 2-day woodswalk in October, please think about the Chilli Dinner/ Social after the shooting on Saturday. Last year was not well attended and it's a lot of work to put on. If there isn't enough interest we won't have it.

Hope to see you soon.
