

OHIO VALLEY MUZZLE LOADING

GUN CLUB

Feb. 24, 2022

Hello:

On February the 19th Page Carr had his 4th Annual “Flintlocks Only “ match. Thank-You Page for providing the prizes, Gary Bevard for his space heater, and Sis for some delicious soup and pies. We had 10 shooters and all had a lot of fun, in between getting our hands thawed out in the shed. This event may have to re-named to something more masculine if it’s always going to be freezing!!!

We will have a **Blanket Shoot on March 5th**, hosted by Cliff Grubaugh. This is a novelty shoot, meaning the targets are varied objects to score a “hit or miss”. Not paper targets. The name Blanket Shoot refers to the prizes, the entry fee for each shooter is an item put down on a blanket before the shoot. The first-place shooter gets first pick of all the items, and so on. Please make your entry item something valued at \$10 min. a hand made item is even better.

Next month (March 19th) Page Carr will hold a **woodswalk** at his property, 9966 Fallsburg Road Newark OH – this is on S.R. 79 , 13 miles NE of Newark. Please mark your calendars, this is to support the Deathwind Muzzle Loaders Club.

Also make a note that the Pheasants Forever event will be on April 9th. Our April shoot is on the 2nd, so I’m hoping for a few more members to help out. I will mention this again on the next newsletter, and provide a map to that event.

Take care, hope to see you soon.
