

OHIO VALLEY MUZZLE LOADING

GUN CLUB

July 24, 2019

Hello Club Members;

Our Founders Day weekend shoot was on June 29th and 30th, Page Carr won the Over the Log Match, and managed to cut the rope doing it, welcome to the Hall of Shame Page! My choice of novelty targets that afternoon left little to be desired, we sent a lot of lead sailing past the targets, but we did manage to get winners! Sunday was a paper match; Top Gun was winner of the awesome Tomahawk made by Frank Bevard. Frank had to work really hard to squeak out the WIN! Thanks for building the hawk Frank, and congratulations on winning it.

We also are adding Ron Goudy and Don Jelinek to the Hall of Shame for dry balling. Ron says he did it on purpose, just for the shot at winning Ken's target! I don't blame him.

On Saturday August 3rd, we will have a Woods Walk, hosted by Bob Hurlburt. Prizes will be of the "Meat" variety. All shooters will win a prize. Since we leave most of the heavy targets hanging in the woods, no need to have a bunch of volunteers to set the course up, it will be ready to go for us. Bob says to expect some surprises!!!

Please consider getting some more Raffle Tickets, the rifle alone is worth taking a few chances on winning.

We have a new batch of the vinyl window decals available, \$11 ea.

Hope to see you all at the range!
