

OHIO VALLEY MUZZLE LOADING

GUN CLUB

June 17, 2026

Hello Everyone;

Just got back from a trip down to Friendship IN for the Spring National Shoot at N.M.L.R.A., we had a good time, nice weather (1 storm went through but it wasn't a flood).

Our last shoot was on May 30th, hosted by Rick Horton and we had 20 shooters. The Top Gun was Trent Grove (runner up was Jeff Carr) Trent already had a Top Gun so Jeff goes on the list with Gary Bevard, Pete Phillips, and Trent.

The next shoot is **THE FOUNDER'S 2 DAY SHOOT**, on Saturday June 27th and Sunday June 28th. Being this is our countries 250th celebration of independence, we thought if you have period clothing to wear, we could get some good photos. Saturday will be a novelty shoot, a similar setup to last year, by Rick Harkless and his elves 😊 prizes will be meat, every shooter will receive a prize. On Sunday June 28th it will be a Paper Match; I am the host. The prizes will be merchandise, every shooter will receive a prize and the Top Gun club member will get a custom-made Pipe Tomahawk made by Rick Harkless.

I'll be camping Friday and Saturday nights.

The Deathwinds Muzzle Loading Club is also having a shoot this Saturday June 27th.

Hope to see you at the range!
