

This image should have been sent out, along with the subject, Announcing a temporary email address, before our newsletter was emailed. Our apologies if there were any confusions – when receiving email from a new address (some of you may have been reluctant to open)

Some email recipients might have received a note from their email provider, like below:

Here is the suggested video to watch (it is very informative) ... <https://support.microsoft.com/en-US/security/protect-yourself-from-phishing>

Rick Harkless is no longer OVMLGC’s Secretary/Board Member. He has agreed to keep the Facebook Group Page up and running.

Special note → “ANYONE” is welcome to post pertinent miscellaneous info or photos for our gun club on the Facebook group page.

Rick has agreed to keep our official website on the web and always updated. <https://www.ovmlgc.com/>

(our website is our “go-to” for just about everything an OVMLMG member would want to keep checking, whether is it a newsletter, all calendar events, meeting dates & any cancellations, current RAFFLE images & downloads, etc.) Not everyone is on Facebook to see announcements there.
